

SCUMBUG™

DEVOURS SCUM, SLIME & GRIME FROM POOLS & SPAS

Scumberg™ is insatiable! When placed in a clear pool or spa, it eliminates the formation of scumlines. Capable of absorbing up to 40 times its weight in body oils and lotions, Scumberg™ provides 300% more surface area than the ball and will not get clogged in water lines. When saturated, simply squeeze out, clean and reuse. Under normal conditions, Scumberg™ should last an average season.

BUGMITT™

ELIMINATES SCUM, SLIME & GRIME FROM WALLS OF POOLS & SPAS

Bugmitt™ is infallible! Featuring a lightly abrasive open-hand surface permanently bonded to a durable, waterproof latex glove, Bugmitt™ provides the user with the largest scrubbing surface possible to remove even the toughest scum, slime and grime deposits. Bugmitt™ is ideal for use on fiberglass, acrylic, vinyl and tile.
